Your utility bill from the City includes charges for water, sewer, and refuse, which are due upon presentation and delinquent after 15 days. Effective July 1, 2008, a 10% penalty is charged on all delinquent accounts. The City may also charge interest at the rate of 1.5% per month on delinquent amounts.

ADDITION OF DELINQUENT UTILITY FEES TO TAX ROLL/TAX BILL – NOTIFICATION OF LANDOWNER

California Health & Safety Code § 5473 allows the City of Hanford (City) to add delinquent utility fees, penalties, and interest to the tax roll/tax bill for the property at which City-provided utility services are received. Chapter 13.08 of the Hanford Municipal Code says that, if a customer does not pay all utility fees, penalties, and interest in full within ninety (90) days of the date of a utility bill, the City will notify the property owner if such amounts will be added to the tax roll/tax bill.

If you are a tenant renting a home or a commercial building, the City may, in its sole discretion, notify the owner of the property if your account becomes delinquent.
