

# Help keep our water clean. Remember... "Only Rain in the Drain"

**We can make a difference!  
Try these six easy steps to  
clean water!**

1. Help Keep Pollution out of Storm Drains:  
Never dump anything down a storm sewer!
2. Never Fertilize When it's About to Rain:  
Sweep, don't hose, excess fertilizer onto the lawn
3. Clean Up After Your Pet: Dispose of pet waste in a trash can
4. Carefully Dispose of Chemicals and Oil: Don't top off when you fill up your tank
5. Practice Good Car Care: Fix leaks promptly and wash your car on the grass or at a car wash
6. Properly Dispose of Travel Trailer Waste: Don't dump on the ground or in a storm drain!
